Dear Power Ranger Comic Writer Guys,

Great idea! I love your Power Rangers comic! I got the first issue, and it's great!

Your loyal fan,

David Hoang
Folcroft, PA

Dear M. comics,

I just read M.M.P.R. issue #1 two times! I think it's pretty cool!!

Sincerely,

Kevin Scott
Sunny Hills, FL

Dear Marvel Comics,

Thank you for putting out the Mighty Morphin Power Rangers comic book series!!!! And thank you very much for using the Ninjazords from the movie!!! Keep up the good work!!!

Matt Soileau
Rayne, Lousiana

Okay, okay!! Enough already!! We get the message loud and clear!! You love us!! You really, really love us!!

Dear writers of the Mighty Morphin Power Rangers from Marvel Comics,

I think it would be cool if you were to make a comic of the new season starting with the adventure with the Masked Rider guest-starring in it. I think I'm not alone when I say every comic should take advice from readers once in a while...I have a few suggestions to make:

1) On the show Rita has married Lord Zedd. Why don't you do that?

2) Have an issue with the Green Ranger like Hamilton Comics did.

3) Don't make limited series, make series that have more than 200 issues.

Your now loyal M.M.P.R. freak,

Jeffrey L. Daniel,
The Wanna Be Ranger
Ft. Worth, TX

Well Jeffrey Wanna Be, here at Marvel our readers are the true bosses! We always listen to advice, especially when it's as good as yours! We debated long and hard about adapting T.V. episodes, but in the end, isn't it better to get ALL NEW stories? So far our plans for both Mighty Morphin Power Rangers and its sister book, Mighty Morphin Power Rangers-Ninja Rangers include only new material. But, you're the bosses! Would any of you like to see adapted T.V. episodes? And by the way, if you want to see a Masked Rider comic, let us know! We'll see what we can do!!

As for your questions, in order: 1) What ever made you think they weren't in the comic?!! 2) First of all, we've heard of the Green Ranger, but who's this Hamilton guy? Second of all, you'll love our plans for Mighty Morphin Power Rangers-Ninja Rangers #3 coming out in December. That issue will feature the return of the Dark Rangers!! Aren't five evil Rangers better than one?!! 3) A Marvel Power Rangers series that goes for over 200 issues? You got it pal. Both Marvel Power Ranger books are monthly, unlimited and here to stay! Stick around for the ride!!!

Dear Marvel Comics,

I like your Power Ranger comics. My favorite Ranger is the White Ranger. I have noticed a few mistakes: Zedd looks at a crystal ball, the Ninja MegaFalconZord has a sword unlike the show...I think Rito Revolto is cool. Hope to hear from you!

Your biggest fan,

George Green
Pocano Lake, PA

Hey George, you're not related to that Green-Ranger-Hamilton guy from that last letter are you? Nevermind! For the record, we never make myystakkes! To answer some of your questions, Lord Zedd has many evil devices that he keeps in his base on the Moon, a crystal ball is only one of the ones we'll be showing you! Sorry, but the other Ninja MegaFalconZord sword was at the cleaners that issue! If you like Rita, then you must have enjoyed Mighty Morphin Power Rangers — issue #2!!

Dear Manano,

I just got finished reading the first issue of the Power Rangers comic book...done by the fabulous Ron Lim. I have been enjoying his penciling work since his days on the Silver Surfer... if anyone can make the conversion from T.V. to comics it will be Mr. Lim.

Sincerely,

Kevin D. Brown

We couldn't agree more, Kevin! Not only did we get the talented pencils of Ron Lim, but we also get the considerable talents of Scott Lobdell and Fabian Nicieza! As a special note to long time fans, a very young Ron Lim and Fabian Nicieza were teamed up at the beginning of their careers on a Marvel book titled "Psi-Force". These two titanic talents have wanted to work together again ever since, and now they've got their chance!!

To whom it may concern,

I was hoping your company could tell me the name and address I could write to, of the Editor of the Mighty Morphin Power Rangers regular comic. I hope you will be able to help me.

Thank you,

Cristal Moser
Springfield, OH

Cristal, Cristal, Cristal... we told you no letter was left unread! Below is the answer to your question, and since there is a "Power Rangers Magazine" at Marvel, please be sure to write "Comic Book" large and bold along with the rest of the address info!!

THAT'S ALL WE HAVE ROOM FOR RIGHT NOW!

TWO MAJOR ANNOUNCEMENTS: 1) CONGRATULATIONS TO OUR VERY OWN NANCY POLETTI WHO WAS RECENTLY PROMOTED FROM ASSISTANT EDITOR TO ASSOCIATE EDITOR! CHECK OUT HER WORK ON OTHER MARVEL TITLES AND PRESS POSTERS...AND WELCOME ANITA SHARPE, OUR TALENTED NEW ASSISTANT EDITOR!! WE WISH THEM THE BEST OF LUCK IN THEIR NEW POSITIONS!

MARK'S REMARKS

You know, this is a great time to be Stan Lee, founder of that phenomenon we like to call Marvel Comics.

First, our Fearless Leader is earning rave reviews playing himself in the comedy hit *Mall Rats*, the full page ad for which has been appearing in your favorite comic book pages. It's playing at a multiplex near you. See it.

Second, on Halloween week the Sci-Fi Channel ran a marathon of Marvel TV classics, like *Spider-Man* and *The Incredible Hulk*, hosted by the Smiley One himself.

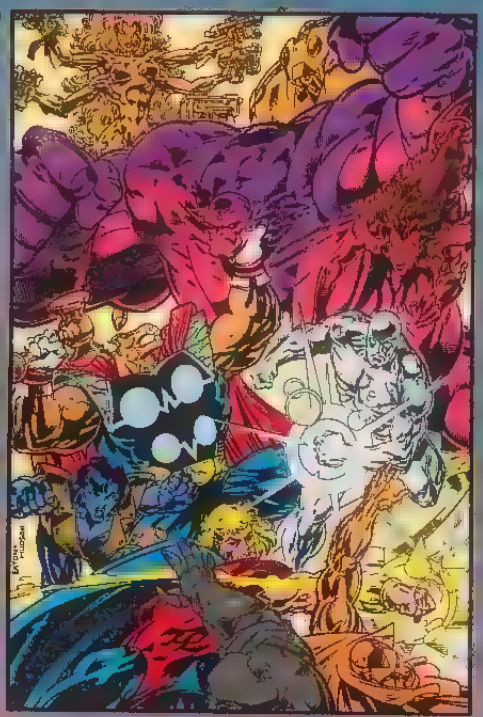
And third, coming in December, the Arts and Entertainment (A&E) Network cable channel will broadcast "Biography: Stan Lee, the ComiX-MAN," a one hour program featuring a behind-the-scenes look at The Man, more biographical goodies than you can shake a comic at, and interviews with Marvelites like John Romita, John Buscema, and Terry Stewart, and entertainment heavies like James Cameron, John Singleton, Lou Ferrigno, and Gene Simmons. The show is scheduled to air the week of December 25-29 (coincidentally Stan's birthday week!)— check your local listings for the exact time and date.

So... in the spirit of the Thanksgiving season, let's all give thanks to Stan for all he's done for our beloved medium. In my opinion, without him, comic books would not exist as we now know them.

—Mark Gruenwald

ON SALE THE SECOND WEEK OF DECEMBER 1995

The most important issue of Iron Man ever! Assistant editor **Mike Marts** revealed, "In this issue, it is revealed that Tony Stark has been behind most of the mayhem caused during THE CROSSING — he has been the unwilling pawn of Kang and Mantis! So the Avengers and Force Works team up against Iron Man!" Story by **Terry Kavanagh**, with guest artists **Jim Calafiore** and **Peter Palmiotti**!



Penciler **Scot Eaton** revealed, "There's a pretty big struggle between Beta Ray Bill, the Silver Surfer, and Quasar and the Cosmic Commandos!" Scot raved about the writing of **Mark Gruenwald:** "He really fires up my imagination!" As for the inking of **Bob Almond**, Scot gave the highest possible recommendation: "When it's all done, it looks like a real live Marvel Comic!"

Let's have a Marvelous round of applause for the Marvel softball team, the Punishers, for their triumphant performance this summer! After a spectacular 10-2 season, the Punishers went on to defeat Raven Press in a 2-0 championship series! Led by coach **Robbie Carosella**, the Punishers truly showed no mercy — just like Frank Castle in pursuit of vengeance!
